Teddy Bear- teddybear@alchildrenscenter.org

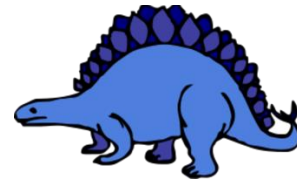

We will have lots of fun learning about Fire Prevention this week in the Teddy Bear room. We are going to make red jello to look like fire and eat it for snack. We will get to play with water in the sensory table and we will watch the fire trucks when they come on Monday. For our art craft this week we are going to make footprint fire trucks. We have some fire safety songs we will sing like "Down At The Firehouse" and "I Am A Fireman".

Busy Bee- busybee@alchildrenscenter.org

This week in Busy Bee we will learn all about Fire Prevention. We will make pretzel matches for a special snack, pretend we are fire fighters in dramatic play area, and talk about fire and how it is not safe and is hot. At art we will be making fire truck footprints, make a Dalmatian with spots, and glue red paper on a fire hydrant shape. We will sing the "10 Little Firemen" song and read lots of stories about fire safety like [My Trip To The Fire Station](#).

Kangaroo Club- kangarooclub@alchildrenscenter.org

In Kangaroo Club this week we are going to talk all about Dinosaurs. We will talk about what we already know about Dinosaurs, do the Dinosaur stomp, and read [Dinosaur Bob](#). We will make a hand print dinosaur, make dinosaur masks, and make a T-Rex paper bag puppets. We will also be working a lot on writing our names and writing numbers. In the sensory table we will have water with dinosaurs to play in and we will do the Dino Stomp game.

Upcoming Events

October 9

Fire Trucks Visit

October 27

Harvest Festival (Kangaroo Club)

October 31

Trick-or-Treating

A great community event to do with the whole family this week is practice Operation E.D.I.T.H on Wednesday night October 11th when the sirens go off. Talk about where you would meet and how to get out of your house safely. Also the fire department is hosting an Open House on Saturday October 14th that is open to everyone and is such an awesome place to bring the whole family.
